about Indigo

My name is Indigo Metellus. I'm from Los Angeles, CA. I help people, by writing, speaking and being a champion for their dreams and visions. I have a passion to help others see the value in themselves to have healthy, lasting relationship with self, God, and others.

How I got started was a friend suggested that I start a blog because she felt that I had a lot of good things to say that could help people that were in need of encouragement, and motivation to know that you don't have to let your pain, situation define where you're going in.

I'm a wife, a daughter and a sister very important roles where I always find myself working in the service field helping people.

about the Talents

I focus on faith, love, and Life. I'm a writer, vlogger and speaker on relationships, and managing everything things such as business, marriage.

How to get from being a single person to a married person and letting go of past hurts and using them as a badge of honor by walking with God.

My target audience is women age 18-35. I've been writing since I was 12 years old, plays, stories, poems and now blogging faithfully since February 2016.

I've currently have published my own book entitled, "Faith, Love & Life," now available on Amazon. Successful hosted my own speaking events: "Why am I still single" "Blindfold speed dating" and "Singles, Games" just to name a few.

My goals are to become a top motivational speaker, an actress and write a few books working on ideas for either a fiction or self-help book currently working on some projects: two children's books, a few plays- one in the process of looking for investment to produce in 2018.
